DESTINATION MARKET

TARGET TIMELINE

1. Product And Quantity

- ☐ Product type: hoodie, tee, tracksuit, jacket, pants, set, or packaging.
- ☐ Quantity by style, color, and size. MOQ 10 can be reviewed when specs are clear.
- ☐ Size range and target fit: oversized, boxy, cropped, regular, or relaxed.
- ☐ Reference photos, measurement chart, sample garment, or tech pack if available.

2. Fabric / GSM

- ☐ Fabric route: cotton jersey, fleece, French terry, woven shell, denim, nylon, or blend.
- ☐ Target GSM or hand feel: lightweight, midweight, heavyweight, structured, or washed.
- ☐ Colorways and whether lab dip or fabric approval is needed.
- ☐ Season and market: summer tee, heavyweight winter hoodie, outerwear, or matching set.

3. Decoration And Craft

- ☐ Craft method: puff print, screen print, embroidery, applique, patch, wash, or mixed route.
- ☐ Artwork files, logo placement, print size, embroidery size, and color count.
- ☐ Durability expectation: everyday wear, premium drop, heavy wash, or retail display.
- ☐ Confirm if decoration should appear on front, back, sleeve, hood, leg, or pocket.

4. Private Label Packaging

- ☐ Neck label, care label, size label, woven label, or printed label.
- ☐ Hangtag, polybag, size sticker, SKU sticker, tissue, thank-you card, or carton mark.
- ☐ Packaging artwork files and barcode/SKU requirements if used.
- ☐ State whether packaging is needed for sample only, bulk only, or both.
